## EYETHU OCCUPATIONAL HEALTH AND SAFETY CONSULTANCY

### Company Profile

#### About Us

#### **Maxwell Jonathan Claason: *Managing Director***

Maxwell Jonathan Claason is a founding member of [Eyethu Occupational Health and Safety Consultancy cc](#)

Maxwell Jonathan Claason is the managing member of [Eyethu Occupational Health and Safety Consultancy](#). He was previously employed by House of Safety (PTY) LTD (Health and Safety Agent: Shell SA, MacDonald's SA, Engen SA etc.) mainly as Safety, Health and Environmental Consultant, conducted numerous OHS audits on companies across South Africa.

Maxwell commenced his career in Occupational SHE and Mine Health and Safety with EMPA Structures (Civil Engineering Contractor) in 2003 as SHE Officer at the Namakwa Sands Mine – Brand se Baai. He has also conducted various OHS training and presentations. His strong legal knowledge regarding the Occupational Health and Safety Act (No 83 of 1993) together with implementation and auditing experience ensures quality legal compliance audits and OHS Management System Reviews.

He then joined KKS (Chevron's Caltex Refinery Cape Town Contractor) as a SHE Practitioner. Where he gained a vast amount of experience in the Petroleum Industry.

In his more than 7 years experience, has he completed over 350 audits, ranging from OHS legal compliance, to integrated SHE audits, including the scopes of 1 st party, 2 nd party and 3 rd party audits. Most of these were done in his capacity as a Senior SHE Consultant.

## EYETHU OCCUPATIONAL HEALTH AND SAFETY CONSULTANCY

### Company Profile

### Services Offered

#### *Occupational Health and Safety Consultancy Services*

By auditing your current Occupational Health and Safety File / System, the consultants will offer to improve or strengthened the program. We will identify shortcomings and recommend corrective actions.

Where a business do not have full time personnel to maintain the Occupational Health and Safety program we offer a service to manage the program on agreed terms and conditions. We also place Safety Officers / Representatives on projects or more permanent basis, the advantage here is that the Safety Officers will have the full support from [Eyethu Occupational Health and Safety Consultancy](#).

[Eyethu Occupational Health and Safety Consultancy](#) can assist businesses with no Occupational Health and Safety File / System to develop and implement a program, as per the client requirements.

Our consultants, through their practical experience can assist businesses to investigate accidents and injuries and prepare the report.

We are able to assist businesses in improving their Occupational Health and Safety performance and reduce their risk liability i.e. Fire, Accident claims and overall insurance liability.

Our technical coverage is comprehensive – from auditing to risk assessment, safety management systems to training.

Our focus is always to provide practical and cost effective solutions that meet the individual requirements of our clients. Our range of services includes:

- Occupational Health and Safety Management Consultancy
- Occupational Health Management Consultancy
- Development and Implementation of Occupational Health and Safety Management Systems
- Occupational Health and Safety compliance auditing
- Hazard Identification
- Risk Assessments
